

### Simple

Fundraising worldwide.  
Quick way for the clients  
to invest in your growth.

### Legal

Compliant legal structure.  
Transparent and clear  
purchase process.

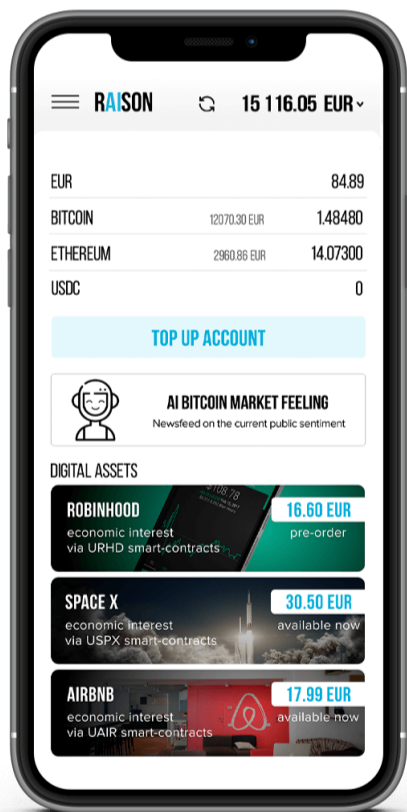

### Smart

Minimum entry ticket.  
No paper work and  
meeting in person.

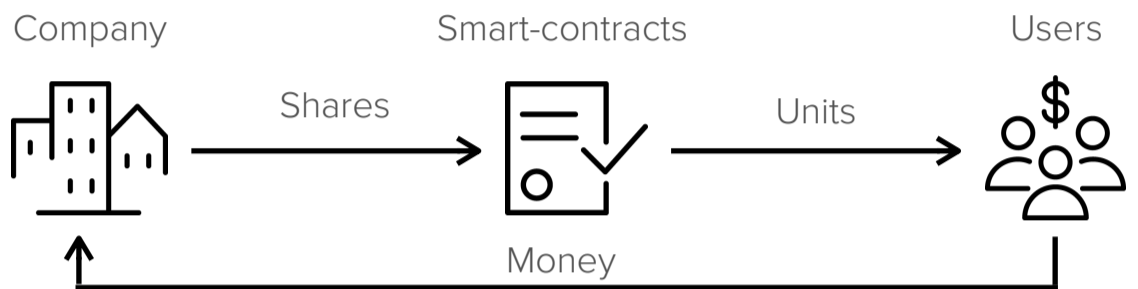

Our team has developed a fully compliant legal structure for tokenization of large-cap private companies shares.

For reference:  
RAISON allows almost anyone invest in SpaceX from €100.

This innovative method is a tremendous step towards the democratization of the investment process.
